

I Wanna Go There

Tyrese

yo, I wanna go there. And i think your gonna like it and when I get there just be ready. (verse 1) Sit back and relax let me do my thang, I'm about to go there for that old time swang. Anythang you want anythang you desire babe just let me kno cuz you light my fire lady. I can tell that you want me tonight, all I came to do is make it right, Let's get sweaty in front of the fireplace (its on, bring it on cuz I'm ready) (chorus) I wanna go there w/ you and do all tha things no one would do.

I wanna go where no one has been, I wanna go there witch u
(I wanna go there w/ u)

I wanna go there w/ you and give you everything u need me to.

I wanna go where no one has been i wanna go there witchu
(i wanna go there w/ u)

(Verse 2) Girl I kno this is new but keep an open mind. After I do this once your gonna want it all the time. Gurl you got me babe, long as you keep it real. I see you like tha appetizer here's tha main course meal. I can tell that you want me tonight. All I came to do is make it rite.

Lets get sweaty in front of tha fireplace. Your all I want and need (Chorus) I wanna go there w/ you and do all tha things no one would do.

I wanna go where no one has been, I wanna go there witchu.
(I wanna go there w/ u)

I wanna go there w/ you and give you everything u need me to.

I wanna go where no one has been i wanna go there witchu
(i wanna go there w/ u) 2x (Bridge) the tempeture is right and all I came to do is make you feel alright.

cause I came to please your body please your body. The way we made love made me forget that it was me and ur first night. And I wanna go there, I wanna go there baby.

(Chorus) I wanna go there w/ you and do all tha things no one would do.

I wanna go where no one has been, I wanna go there witchu.
(I wanna go there)

I wanna go there w/ you and give you everything u need me to.

I wanna go where no one has been I wanna go there witchu
(i wanna go there) should I get down on my knees and get started rite away baby

Should I lick my lips
oh yeah yeah yeah
should I grab on them hips
yeah yeah
should start to do it real slow
oh yeah yeah yeah
and go where no one else can go
yeah yeah
should I try to make you sweat

oh yeah yeah yeah
should take you all the way there
yeah yeah
should I try to make you bust once or twice
girl im gonna give you braggin rites
oh yeah yeah yeah(Chorus)I wanna go there w/ you and do all tha things no one would do.
I wanna go where no one has been, I wanna go there witchu.
(I wanna go there can i take u there to extacy?)
I wanna go there w/ you and give you everything u need me to.
I wanna go where no one has been I wanna go there witchu
(i wanna go there)
do u want it babe do u need it babe cause I need u
