

# Bulletproof Heart

## My Chemical Romance

Gravity  
Don't mean too much to me  
I'm who I've got to be  
These pigs are after me, after you  
Run away, like it was yesterday  
And we could run away, if we could run away  
Run away from here I got a bulletproof heart  
You got a hollow-point smile  
Me and your runaway scars  
Got a photograph dream on the getaway mile  
Let's blow a hole in this town  
And do our talking with a laser beam  
Gunning out of this place in a bullet's embrace  
Then we'll do it again  
How can they say  
"Jenny could you come back home?"  
'Cause everybody knows you don't  
Ever want to come back  
Let me be the one to save you Gravity  
Don't mean too much to me  
I'm who I've got to be  
These pigs are after me, after you  
Run away, like it was yesterday  
And we could run away, if we could run away  
Run away from here  
I'm shooting out of this room  
Because I sure don't like the company  
Stop your preaching right there  
'Cause I really don't care  
And I'll do it again  
So get me out of my head  
'Cause it's getting kind of cramped you know  
Coming ready or not  
When the motor gets hot  
We can do it again The papers say  
"Johnny won't you come back home?"  
'Cause everybody knows you don't  
Want to give yourself up, tell the truth  
And God will save you Gravity  
Don't mean too much to me  
I'm who I've got to be  
These pigs are after me, after you

Run away, like it was yesterday  
And we could run away, if we could run away  
Run away from here And though I know how much you hate this  
Are you going to be the one to save us  
From the black and hopeless feeling?  
Will you mean it when the end comes reeling?  
Hold your heart into this darkness  
Will it ever be the light to shine you out  
Or fail and leave you stranded?  
I'm not going to be the one left standing  
You aren't going to be the one left standing  
We aren't going to be the ones left standing Gravity  
Don't mean too much to me  
Is this our destiny?  
This world is after me, after you  
Run away, like it was yesterday  
And we could run away, run away, run away  
Run away from here Yeah  
Away from here  
Away from here
