

Space Between

Sia

[Verse 1]

A never ending sentence in my head
We lay hollow in the emptiness
I'm too tired to push you from the bed

[Pre-Chorus]

No more fighting, no more fighting
There's no more fighting for us

[Chorus]

Fill the void in our bed
The space between is deafening
Oh, we don't bend, we're breaking
The space between is deafening
The space between is deafening

[Verse 2]

No one's moving, we lack the courage to
We lay in stalemate, wishing the other would
But we're too tired, we let the embers cool

[Pre-Chorus]

No more fighting, there's no more fighting
There's no more fighting for us

[Chorus]

Fill the void in our bed
The space between is deafening
Oh, we don't bend, we're breaking
The space between is deafening

[Bridge]

No more fighting, we've given up now
Silence says more than words
Imagination cures loneliness
When you become a prisoner

[Chorus]

Fill the void in our bed
The space between is deafening

Oh, we don't bend, we're breaking
The space between is deafening
