

Nothing Remains

Chimaira

I shout these words to those who never listened
I pen this letter with the utmost conviction
It's been dark in here, cold and relentless
Its been too long, I can no longer fight this Too late to change my mind
Nothing Remains
I've silenced the pain All these years passed
No one heard true feelings
You continued to act like you knew me
Did you ever stop to think that I'd be able
To look in your eyes and say that im stable
Too late to, change my mind
Nothing Remains
I've silenced the pain Don't tell me, that I am taking the easy way, OUT (2x) Noooooo No
underlying message to figure out
What you got from me is what I put out (2x)
No one knew a thing about me
Just longing to be accepted
Wait till you see what I've become
My lifelessness (2x) Too late to, change my mind
Nothing Remains
I've silenced the pain
