

Caress Me Down (Instrumental)

Sublime

Mucho gusto me llamo Bradley
I'm hornier than Ron Jeremy
And if you wanna get popped in your knee
Just wipe that look off your bati face
You hate me cause I got what you need A pretty little daughter that we call Mexi, and
If you wanna get beat physically
It will be over in a minute if ya...
So she told me to come over and I took that trip And then she pulled out my mushroom tip
And when it came out, it went drip drip drip
I didn't know she had the G.I. Joe kung fu grip
And it went- uhh
And the girl caress me down- uhh
And thats that lovin' sound- it went uhh
And the girl caress me down- uhh
And thats that lovin' sound
When I kiss Mexi she makes me feel horny Cause I'm the type of lover with the sensitivity
When she kiss my neck and tickle me fancy
The right kind of love on sunday morning
En el otro lado es donde viví Con mi hijita, que se llama Mexi
Y su hermana, si me querré
Y ya horita, tenemos un bebe
Sus padres, sus tios, me trataron matar
But they did not get too far
Un poco despues tuve que regresar
Con un chingo de dinero
Cause you know I'm a star
Me fui a costa rica
Para tomar y surfear
Placticaba con la raza
Cause they know who we are
Si no le dió cuenta
Then I bet you never will
You must be a muñeca
If your still standing still And it went- uhh
And the girl caress me down- uhh
And thats that lovin' sound- it went uhh
And the girl caress me down- uhh
And thats that lovin' sound
Me gusta mi reggae
Me gusta punk rock Pero la cosa que me gusta mas es panochita
Pon la nalga en la aire if you know who you are
Pon la nalga en la aire y empieza gritar

No tenga miedo, I'm your papi
Take your chones, y los manden a mi
Levanta, levanta, tienes que gritar Levanta, levanta, tienes que bailar.
And it went- uhh
And the girl caress me down- uhh
And thats that lovin' sound- it went uhh
And the girl caress me down- uhh
And thats that lovin' sound
Uhh-caress me down
Uhh- that's the lovin' sound
Uhh- and the girls caress me down
That's the lovin' sound
