

Satisfy

Nero

[Produced by Nero]

[Chorus: Alana]

I can feel it tonight, I know I'll catch your eye
Touching you feels so right, let me come inside
Just come with me tonight, take me for a ride
Touching you feels so right, let me, let me satisfy
Let me satisfy
Let me, let me satisfy
Let me satisfy
Let me
Let me satisfy

[Chorus: Alana]

I can feel it tonight, I know I'll catch your eye
Touching you feels so right, let me come inside
Just come with me tonight, take me for a ride
Touching you feels so right, let me, let me satisfy
Let me satisfy
Let me, let me satisfy
Let me satisfy
Let me

Let me satisfy
