

# More Than Friends (feat. Kelli-Leigh)

**James Hype**

I often tell myself that we could be more than just friends  
I know you think that if we move too soon give alone and  
    I live in misery when you're not around  
I won't be satisfied until taken those vows  
    (more than frienda)  
What's it gonna be, cause I can't pretend  
    Don't you wanna be more than friends  
        Hold me tight and don't let go  
        Hold me tight and don't let go  
What's it gonna be, cause I can't pretend  
    Don't you wanna be more than friends  
What's it gonna be, cause I can't pretend  
    Don't you wanna be more than friends  
        Hold me tight and don't let go  
        Hold me tight and don't let go  
        Hold me tight and don't let go  
        Hold me tight and don't let go
