

# Tea Party

Kerli

Welcome to the tea party  
You wanna be my VIP?  
You didn't RSVP  
But that's okay, that's okay Welcome to the tea party  
You wanna be my VIP?  
When I'm all steamed up  
Hear me shout  
Tip me over, and pour me out  
Your appetite is whet  
I've got the table set  
Don't get your dribble on my  
T-t-t-table yet  
I've got the goodies baked  
Got more than you can take  
Just try a nibble of my biscuits  
And my rainbow cake Let's be traditional  
And unconditional Elbows down  
Pinkies up  
That's the way you sip my cup Welcome to the tea party  
You wanna be my VIP?  
You didn't RSVP  
But that's okay, that's okay  
Welcome to the tea party  
You wanna be my VIP?  
When I'm all steamed up  
Hear me shout  
Tip me over, and pour me out Try not to move too fast  
You know dessert comes last  
I'm a lady, futhermucker  
Try to show some class  
Down to the last cup  
We keep it boiling hot  
We keep the party moving till we drink the last drop Let's be traditional  
And unconditional Elbows down  
Pinkies up  
That's the way you sip my cup Welcome to the tea party  
You wanna be my VIP?  
You didn't RSVP  
But that's okay, that's okay Welcome to the tea party  
You wanna be my VIP?  
When I'm all steamed up  
Hear me shout

Tip me over, and pour me out I know this night is like no other  
And you're not just a lover  
(You're porcelain in a paper cup world)  
(Tip me over and pour me out)  
I know it's only getting better  
As long as we're together  
(You're porcelain in a paper cup world)  
(Tip me over and pour out) I know this night is like no other  
And you're not just a lover  
(You're porcelain in a paper cup world) Welcome to the tea party  
You wanna be my VIP?  
You didn't RSVP  
But that's okay, that's okay Welcome to the tea party  
You wanna be my VIP?  
When I'm all steamed up  
Hear me shout  
Tip me over, and pour me out  
(Out, out, out, out)
