

Spectre

Alan Walker

Hello Hello,
Can you hear me,
As I scream your name
Hello Hello,
Can you see me,
Near and far away Is this the place that I call home,
To find what I've become
Walk along the path unknown,
We live, we love, we lie
Hello Hello,
Sound of silence,
Echo in myself
Hello Hello,
Lost reliance,
A war that never ends Is this the place that I call home,
To find what I've become
Walk along the path unknown,
We live, we love, we lie
Deep in the dark, you will see the light,
Like a ghost inside me
It's not that far to the other side,
We live, we love, we lie
