A ritual disgrace, Marrakesh adventure
A ritual disgrace, Marrakesh adventure (Marrakesh adventure) That familiar sound, explains
what I'm feeling I'm both lost & found, never been there before
That familiar sound, explains what I'm feeling I'm both lost & found, never been there before
A ritual disgrace, Marrakesh adventure A ritual disgrace, Marrakesh adventure (Marrakesh
adventure)
A ritual disgrace, Marrakesh adventure A ritual disgrace, Marrakesh adventure (Marrakesh
adventure)
Can't tell you how, I even came to get here Mysterious, everything I hold dear
That familiar sound, explains what I'm feeling
I'm both lost & found, never been there before
A ritual disgrace, Marrakesh adventure
A ritual disgrace, Marrakesh adventure (Marrakesh adventure)
A ritual disgrace, Marrakesh adventure
A ritual disgrace, Marrakesh adventure (Marrakesh adventure)
That familiar sound... explains what I'm feelin'... I'm both lost and found... never been there
before...
