

# Weston Road Flows

Drake

[Intro]

One of dem ones—right

[Verse]

Weston Road Flows, I did this shit for my nigga Renny  
Back when we couldn't buy pizza cause we were down to pennies  
Feel like we go back a century, run in the store for Centuries  
Then bring it back to your brother, man, we had to respect it  
He was wavy, doin' mixtapes out of your basement  
He let us hit the weed on occasion for entertainment  
Then he would leave us at the house and go out on a mission  
We probably would've got in less trouble just goin' with him  
Feel like I never say much but, man, there's a lot to know  
Feel like the difference between us really startin' to show  
I'm lookin at they first week numbers like, "What are those?"  
I mean, you boys not even coming close  
I gave niggas like you a reason for celebration  
You number one and I'm Eddie Murphy, we tradin' places  
Look in the mirror, I'm closer than I really appear  
Creepin' like Chilli without the tender, love, and care  
No tender love and care, no love and affection  
I got a price on my head but there's a risk in collecting  
I might be here as a vessel to teach people a lesson  
Feel like they wanted me dead but couldn't pull it together  
Yeah, but here we are and it's a new semester  
40 the only one that know how I deal with the pressure  
A couple nights where it started to feel like the feelings fadin'  
A lot of problems that can't be fixed with a conversation  
Your best day is my worst day, I get green like Earth Day  
You treat me like I'm born yesterday, you forgot my birthday  
You don't be scorin' perfect  
You don't be workin' like how we be workin'  
You platinum like wrappers  
On Hershey's boy, that shit is worthless  
You get the message over and over like it was urgent  
And then act like you ain't heard it when you see me in person  
The only thing I did to end up here was put the work in  
And did it with a purpose  
Used to have secret handshakes to confirm my friendships  
Nowadays, they just shakin' my hand to hide the tension

A lot of people just hit me up when my name is mentioned  
Shout out to KD, we relate, we get the same attention  
It's rainin' money, Oklahoma City Thunder  
The most successful rapper 35 and under  
I'm assumin' everybody's 35 and under  
That's when I plan to retire, man, it's already funded  
Yeah, I brought your wifey out to Saint Martin  
She violated, I sent her back where it all started  
How quick they are to forget about their bachelor apartment  
Leave it to niggas like you to show em' light in the darkness  
Told my momma that I found a lady in the east  
Cancun, when I got signed, they upgraded the suite  
Don Julio in the freezer that they gave us for free  
I get you all you can eat, just have some patience with me  
You wouldn't tell me you loved me, started seein' Monique  
Last time I heard from Monique, T-Minus was makin' beats  
I used to hit the corner store to get to Tahiti Treat  
Now the talk at the corner store is I'm TBE  
The best ever, don't ever question, you know better  
But shit ain't always how it seems when it's sewn together  
Yeah, I let that last line breathe, it take a second to get it  
Weston Road flows, my confidence level gettin' settled  
Don't get hyped for the moment then start to backpedal  
Don't let your newfound fame fool you  
Or cloud up your judgement to talk loosely, I really do this  
Been flowin' stupid since Vince Carter  
Was on some through the legs arm in the hoop shit  
Drinkin' Hpnotiq with Glenn Lewis, I been through it  
Y'all was so afraid to lay claim to it  
Too busy face screwin' on waste movements  
You was ridin' TTC metro, I had the place boomin'  
First take Drake, you know I rarely have to take two it  
And they still take to it  
Big Apple had the white hummer parked right in front of Fluid  
And we be walkin' in that bitch like we already knew it  
But money can't buy happiness, Jellee talkin' truthful  
But I'm happiest when I can buy what I want  
Get high when I want

[Outro]

Yeah, that's right, yeah
