

Like Crazy (UK Garage Remix)

Jimin

Like Crazy (UK Garage Remix)

[Intro]

(I think we could last forever)
(I'm afraid that everything will disappear)
(Just trust me)

[Verse 1]

She's saying
Baby, come and follow me
There's not a bad thing here tonight
Save your reasons all for later
Stay with me a little while

[Verse 2]

Watch me go
Now, I sink down, all alone away
Where am I?
A dark haze clouding up my eyes

[Pre-Chorus]

I can hear the voices listening
Don't know who they are
Trying to take the pressure off
Been reaching for the stars
Tell me, will I find myself again?
When I go too far?
Yeah, I know
You know, I know (Ooh)

[Chorus]

I'd rather be
Lost in the lights, lost in the lights
I'm outta my mind
Can you help me numb the pain?
Each night, you spin me up high
Emotions on ice
Let me have a taste

[Post-Chorus]

Give me a good ride (Oh, I'm fallin', I'm fallin', I'm fallin')
Oh, it's gon' be a good night (Oh, I'm fallin')

Forever, you and I

[Interlude]

Mmm-hmm

Yeah, hey

Mmm-hmm

Ooh-woah

Mmm-hmm

Mmm-hmm

(Forever, you and I)

[Verse 3]

All my reflections, I

Can't even recognize

I'm feelin' so alive, wasting time

[Chorus]

I'd rather be

Lost in the lights

Lost in the lights

I'm outta my mind

Can you help me numb the pain?

Each night

You spin me up high

Emotions on ice

Let me have a taste

[Post-Chorus]

Give me a good ride (Oh, I'm fallin', I'm fallin', I'm fallin')

It's gon' be a good night (Oh, I'm fallin')

Forever, you and I

[Outro]

This will break me

This is gonna break me (Break me)

No, don't you wake me (Wake me)

I wanna stay in this dream, don't save me

Don't you try to save me (Save me)

I need a way we (Way we)

I need a way we can dream on (On, on, on)

[Spoken Outro]

Alone again

What's the point?
