

Kiss Kiss Kiss Bang Bang Bang

Orchestral Manoeuvres In the Dark

Go Kiss Kiss Kiss, Bang, Bang, Bang
Mao Tse-tung and Uncle Sam
Sold the world bought the car
This time you've gone too far Ha, Ha, Ha, Yeah, Yeah, Yeah
Love and war, all is fair
Run, Run, Run, Kick, Kick, Kick
Everything makes me sick Tick, Tick, Tick, Tock, Tock, Tock
Mr Hyde and Dr Spock
Fuck you and your theory
Nothing you do can get near me
Kiss, Kiss, Kiss, Bang, Bang, Bang
Kiss, Kiss, Kiss, Bang, Bang, Bang
Kiss, Kiss, Kiss, Bang, Bang, Bang
Kiss, Kiss, Kiss, Bang, Bang, Bang
Kiss, Kiss, Kiss, Bang, Bang, Bang
