

# I Will Always Be True

## Third Day

I will always be true  
No, I'll never be leaving  
I will be here with you  
Through the storms and the seasons  
Through the sun and the rain  
Through the joy and the pain  
I will know what to do  
I will always be true  
I will always be true

No, you never should doubt it  
Once again I will prove  
There is no way around it  
Through the questions and tears  
Every day of the year  
I will know what to do  
I will always be true

If you need a shoulder to cry on  
I'm here every time  
And when you need a hand to hold  
I'll give you mine, oh  
I'll give you mine

I will always be true  
You can always believe it  
And when my life is through  
Well I hope you will see that  
Every day that I live  
Every breath that I breathe  
Yes, it all was for you  
I will always be true

And if you need a shoulder to cry on  
I'm here every time  
And when you need a hand to hold  
I'll give you mine, oh

If you need a shoulder to cry on  
I'm here every time

And when you need a hand to hold  
I'll give you mine, oh  
Yeah, I'll give you mine

I will always be true  
I will always be true, yeah  
All for you
