

# Shanghai Breezes

John Denver

It's funny how you sound as though you're right next door  
When you're really half a world away  
I just can't seem to find the words I'm looking for  
To say the things that I want to say  
I can't remember when I felt so close to you  
It's almost more than I can bear  
And though I seem half a million miles from you  
You are in my heart and living there And the moon and the stars are the same ones you see  
It's the same old sun up in the sky  
And your voice in my ear is like heaven to me  
Like the breezes here in old Shanghai  
There are lovers who walk hand in hand in the park  
And lovers who walk all alone  
There are lovers who lie unafraid in the dark  
And lovers who long for home  
Oh, I couldn't leave you even if I wanted to  
You're in my dreams and always near  
And especially when I sing the songs I wrote for you  
You are in my heart and living there And the moon and the stars are the same ones you see  
It's the same old sun up in the sky  
And your face in my dreams is like heaven to me  
Like the breezes here in old Shanghai Shanghai breezes cool and clearing evening's sweet caress  
Shanghai breezes soft and gentle remind me of your tenderness  
And the moon and the stars are the same ones you see  
It's the same old sun up in the sky  
And your love in my life is like heaven to me  
Like the breezes here in old Shanghai  
And the moon and the stars are the same ones you see  
It's the same old sun up in the sky  
And your love in my life is like heaven to me  
Like the breezes here in old Shanghai  
Just like the breezes here in old Shanghai
