

# Over When It's Over

Eric Church

It's over when it's over  
Ain't it, baby, ain't it  
Rips ya like a dagger  
Can't it baby, Can't it  
Wish we could do it over  
Damn it, baby, Damn it  
We had it in the air, we just couldn't land it  
It's the first snap of the last straw  
Where regrets outlast the alcohol  
It's a cold sweat, in an empty bed  
And dreams are like a knife  
When you're hanging by a thread  
Ain't no "Maybe we can make it if we just play the right cards"  
Now it's over when it's over  
Ain't it, baby, ain't it  
Rips ya like a dagger  
Can't it baby, Can't it  
Wish we could do it over  
Damn it, baby, Damn it  
We had it in the air, but just couldn't land it  
It's a white flag  
It's a stop sign  
It's the last long drag, on a Marlboro light  
It's a long night, beating up the past  
Knowing the first lie, is gonna hit you back  
This ain't no gone for good drill  
Or no goodbye false alarm, it's over  
Yeah it's over  
Yeah it's over  
There ain't no better way  
We could make it work  
It's a blank page  
When you're outta words  
Yeah it's a flat line  
It's a heart attack  
Yeah it's too far gone, to be shocked back  
It's a one way, with nowhere to turn  
It's a no brakes, baby, crash and burn  
Ain't no map gonna ever bring us back  
From where we are  
It's just over when it's over  
Ain't it baby, Ain't it  
Rip ya like a dagger  
Can't it baby, Can't it  
Wish we could do it over  
Damn it, baby, Damn it

We had it in the air, and just couldn't land it
