

If You Don't Like My Twang

Justin Moore

Don't you dare throw that beer can
Stand in the back and cover your ears
Go sit in your car 'til the show is over
If you don't like what you hear Brother, maybe you're in the wrong place
If you don't like a rowdy crowd
We're about to get drunk and go country on you
Yeah, it's gonna get loud No, I don't care if you don't like my twang
'Cause I know they love it in small town USA
It's the way I live, it's the way I talk
Hell, yeah, it's the way I sing
So I don't care if you don't like my twang
I've been singing and playing this guitar
Since I was twelve years old
It took me from a porch to the Opry to the radio
To a whole lot of records sold Well, we must be doing something right
'Cause we packed it out again
So don't let the door hit you in the eyes
You can tell all your friends No, I don't care if you don't like my twang
'Cause I know they love it in small town USA
It's the way I live, it's the way I talk
Hell, yeah, it's the way I sing
So I don't care if you don't like my twang
I don't care if you don't like my twang
'Cause I know they love it down in small town USA
It's the way I live, it's the way I talk
Hell, yeah, it's the way I sing
So I don't care if you don't like my twang
Said, no, I don't care if you don't like my twang
