

# Let's Groove

## Earth, Wind & Fire

[Intro]

We can boogie down  
Down up on down  
The boogie sound  
Down up on down  
The boogie sound  
Down up on down  
The boogie sound  
Down up on down

[Verse 1]

Let's groove tonight (down down upon down)  
Share the spice of life  
(The boogie sound, down upon down)  
Baby, slice it right  
(The boogie sound, down upon down)  
We're gonna groove tonight  
(The boogie sound, down upon down)

[Chorus]

Let this groove  
Get you to move  
It's alright (alright)  
Alright  
(down upon down)

Let this groove  
Set in your shoes  
So stand up (alright)  
Alright

[Verse 2]

Gonna tell you  
What you can do  
With my love  
Alright

Let you know, girl  
You're looking good  
You're out of sight

Alright

Just move yourself  
And glide like a 747  
And lose yourself  
In the sky  
Among the clouds in the heavens, gods

[Chorus]

Let this groove  
Light up your fuse  
It's alright (alright)  
Alright

Let this groove  
Set in your shoes  
So stand up (alright)  
Alright

[Verse 3]

Let me tell ya  
What you can do  
With my love  
Alright

Gotta let you know, girl  
You're looking good  
You're out of sight  
Alright

Just tell the DJ  
To play your favorite tune  
Then you know it's okay  
What you found is happening now

[Chorus]

Let this groove  
Light up your fuse  
It's alright (alright)  
Alright

Let this groove  
Set in your shoes  
So stand up (alright)  
Alright

Let this groove  
Get you to move (alright)

Alright (alright)

Let this groove  
Set in your shoes  
So stand up (alright)  
Alright

[Bridge]  
You will find peace  
Of mind on the floor  
Take a little time  
Come and see  
You and me  
Give a little sign

I'll be there  
After a while  
If you want my love  
We can boogie (We can boogie down, down upon down)  
On down (The boogie sound, down upon down)  
Down (The boogie sound, down upon down)

Let's groove tonight (The boogie sound, down upon down)  
Share the spice of life (The boogie sound, down upon down)  
Baby, slice it right (The boogie sound, down upon down)  
We're gonna groove tonight (The boogie sound, down upon down)

[Chorus]  
Let this groove  
Get you to move (alright)  
Alright (alright)

Let this groove  
Set in your shoes  
So stand up (alright)  
Alright

Let this groove  
Get you to move  
Alright, alright, alright

Let this groove  
Set in your shoes  
So stand up (alright)  
Alright

Let this groove  
Light up your fuse  
It's alright (alright)

Alright

Let this groove  
Set in your shoes  
So stand up (alright)  
Alright

Let this groove  
Get you to move  
Alright, alright, alright

Let this groove  
Set in your shoes  
So stand up (alright)  
Alright

Let this groove  
Get you to move  
It's alright (alright)

Let this groove  
Set in your shoes  
So stand up (alright)  
Alright
