

I Need You to Turn To

[Elton John](#)

You're not a ship to carry my life
You are nailed to my love in many lonely nights.
I've strayed from the cottages and found myself here
For I need your love. Your love protects my fears. And I wonder sometimes, and I know I'm
unkind,
But I need you to turn to when I act so blind.
Oh I need you to turn to when I lose control
You're my guardian angel who keeps out the cold. Did you paint your smile on when I said I
knew
That my reason for living was for loving you
We're related in feeling, but you're high above
You're pure and you're gentle, with the grace of a dove.
And I wonder sometimes, and I know I'm unkind,
But I need you to turn to when I act so blind.
Oh I need you to turn to when I lose control
You're my guardian angel who keeps out the cold.
