

# Go Upstairs

Jesse Powell

Go upstairs, take off your clothes  
I've got something for you tonight  
Lit the candles, put down the shades  
Gonna make you feel alrightBaby, I've been burning up  
Longin' for you within  
It seems like it's been so long  
I couldn't wait to see you againYou had the longest day  
For whatever reason, I, I understand  
So let's kiss and let's hug  
And let's touch like only we canGo upstairs, take off your clothes  
I've got something for you tonight  
Lit the candles, put down the shades  
Gonna make you feel alright  
There'll be no interruptions  
We've got the whole place to ourselves  
And if there's something's on your mind  
Want you to tell me and no one else'Cause right now  
I wanna be the only person on your mind  
So let's kiss and let's hug  
And let's touch like only we can, babyGo upstairs, take off your clothes  
I've got something for you tonight  
Lit the candles, put down the shades  
Gonna make you feel alrightGo upstairs, take off your clothes  
I've got something for you tonight  
Lit the candles, put down the shades  
Gonna make you feel alright  
'Cause right now  
I wanna be the only person on your mind  
So let's kiss and let's hug  
And let's touch like only we canGo upstairs, take off your clothes  
I've got something for you tonight  
Lit the candles, put down the shades  
Gonna make you feel alrightGo upstairs, take off your clothes  
I've got something for you tonight  
Lit the candles, put down the shades  
Gonna make you feel alrightYeah, yeah, yeah  
Yeah, yeah, yeah  
Yeah, yeah, yeahGo upstairs, yeah, yeah, yeah  
Yeah, yeah, yeah  
Yeah, yeah, yeahGo upstairs, take off your clothes  
I've got something for you tonight  
Lit the candles, put down the shades

Gonna make you feel alright  
Go upstairs, take off your clothes  
I've got something for you tonight
