

# Speechless

## Lady Gaga

How? How? How? I can't believe what you said to me  
Last night we were alone  
You threw your hands up  
Baby, you gave up, you gave up I can't believe how you looked at me  
With your James Dean glossy eyes  
In your tight jeans with your long hair  
And your cigarette stained lies Could we fix you if you broke?  
And is your punch line just a joke? I'll never talk again  
Oh, boy, you've left me speechless  
You've left me speechless, so speechless  
And I'll never love again  
Oh, boy, you've left me speechless  
You've left me speechless, so speechless I can't believe how you slurred at me  
With your half wired broken jaw  
You popped my heart seams  
On my bubble dreams, bubble dreams I can't believe how you looked at me  
With your Johnnie Walker eyes  
He's gonna get you, and after he's through  
There's gonna be no love left to rye And I know that it's complicated  
But I'm a loser in love, so, baby  
Raise a glass to mend all the broken hearts of  
All my wrecked up friends I'll never talk again  
Oh, boy, you've left me speechless  
You've left me speechless, so speechless  
And I'll never love again  
Oh, friend, you've left me speechless  
You've left me speechless, so speechless How? How? How?  
How? How? How? And after all the drinks and bars that we've been to  
Would you give it all up?  
Could I give it all up for you? And after all the boys and girls that we've been through  
Would you give it all up?  
Could you give it all up?  
If I promise, boy, to you That I'll never talk again  
And I'll never love again  
I'll never write a song  
Won't even sing along  
I'll never love again How?  
So speechless  
You left me speechless, so speechless Will you ever talk again?  
Oh, boy, why you so speechless?  
You've left me speechless, so speechless Some men may follow me  
But you choose "Death and Company"

Why you so speechless? Oh-oh, oh
