

# You Make Me Feel... (feat. Sabi)

## Cobra Starship

Na na na na na  
Na na na na na  
Na na na na na  
Na na na na na Girl I been all over the world  
Looking for you  
I'm known for taking what I think I deserve  
And you're overdue  
And if you you listen you can hear me through the radio  
In that bright white noise  
What I've been missing in my life  
What I been dreaming of  
You'll be that girl  
You'll be that girl  
You'll be  
Everything you want  
So let me get up there  
I'm the baddest baby in the atmosphere  
Tell me what you want so we can do just what you like You make me feel that  
Na na na na na  
You make me feel so  
Na na na na na You make me feel that  
Na na na na na  
You make me feel so  
Na na na na na  
You make me feel that  
Get a little closer to me girl  
And you'll understand  
'Cause if you want a guy that knows what you need  
Well, then I'm your man  
And if I listen I can hear you through my radio  
In that bright white noise  
What I've been missing in my life  
What I been dreaming of  
You'll be that girl  
You'll be that girl  
You'll be Everything you want  
So let me get up there  
I'm the baddest baby in the atmosphere  
Tell me what you want so we can do just what you like Everything you know I'm flipping  
upside down  
Take you 'round the world  
You know I like it loud

Tell me what you want 'cuz  
We can do just what you like You make me feel that  
Na na na na na  
You make me feel so  
Na na na na na You make me feel that  
Na na na na na  
You make me feel so  
Na na na na na You make me feel that  
Na na na na na  
You make me feel that  
Na na na na na You make me feel so  
Na na na na na  
You make me feel that  
Na na na na na Put your hands up  
Put your hands up  
Let the lights drop  
Let the lights drop  
Make my world stop  
Make my world stop Na na na na na  
Na na na na na You make me feel that  
Na na na na na  
You make me feel so  
Na na na na na  
You make me feel that  
Na na na na na  
You make me feel so  
Na na na na na  
Oh, you make me feel that  
Na na na na na  
Oh, you make me feel that  
Na na na na na  
Oh, you make me feel so  
Na na na na na  
Oh, you make me feel that  
Na na na na na
