# Dollar Store

## Walker Hayes

Saw a penny picked it up
Lady be a little luck
Stuck it in my pocket, hey
Wasn't earned but it's saved
50 cents in the console...cha ching
39 on the floor...bada bing
10 more till we got it made, babe, in the cash shade
Shopping time there's a dime in the ashtray
Uh, woohoo
Mama let my money say I love you
We takin' you and this GW
Down to the dollar store
Buy you whatever you holla for
Uh, woohoo
Baby I'm a million bucks from rich
But I can grant you a discount wish
Down at the dollar store
Buy you whatever you holla for
Baby, It's your birthday I'mma be your sugar dad
Don't even think about checkin' one price tag
Whatch you want, flips flops?
Toothbrush, Clorox
Shasta, pop rocks
EPT...hope not!
Paper plates saying' happy Halloween
Candles smellin' like cookies & cream
St. Patrick's day party hat with elastic strings
Girl you look fine in green
Uh, woohoo
Mama let my money say I love you
We takin' you and this GW
Down to the dollar store
Buy you whatever you holla for
Uh, woohoo
Baby I'm a million bucks from rich
But I can grant you a discount wish
Down at the dollar store
Buy you whatever you holla for...
Girl, they got silly string, travel Scope
Knock off cereal
Ketchup, picture frames
Flash light, key chains

Paddle ball, Tylenol, Mardi Gras confetti
Drop it in the cart, watch me roll it to regi'Uh, woohoo
I'mma let my money say I love you
We takin' you and this GW
Down to the dollar store
Buy you whatever you holla for
Uh, woohoo
Baby I'm a million bucks from rich
But I can grant you a discount wish
Down at the dollar store
Buy you whatever you holla for
