Ways To Go (Captain Cuts Remix)

Grouplove

I didn't ask for that You give me heart attack I didn't want to care And then I saw you there Been working like a dog I turned all my dreams off I didn't know my name I didn't know my name(I got a little bit longer) I got a ways to go (I got a little bit longer) I got a ways to go (Oh I got a little bit longer) I got a ways to go-oh-oh Whoa oh oh (I got a ways to go) Even when I can't see my rear view Even if I call just to hear you Even when I sleep all day Even when I sleep all day Even if I wasn't like I'm times two Living in the back of a bunk just like we do Even when I dream all dayDon't wanna sleep tonight You've got me feeling right I didn't know my name I didn't know my name(I got a little bit longer) I got a ways to go (I got a little bit longer) I got a ways to go (Oh I got a little bit longer) I got a ways to go-oh-oh Whoa oh oh (I got a ways to go) Even when I can't see my rear view Even if I call just to hear you Even when I sleep all day Even when I sleep all day Even if I wasn't like I'm times two Living in the back of a bunk just like we do Even when I dream all day Even when I dream all day(Oh I got a little bit longer) I got a ways to go-oh-oh Whoa oh ohEven if I smoke in the back room Even if I go right to meet you Even when I sleep all day Even when I sleep all day Even if I wasn't like I'm times two Waiting for the day just to end so I see you Even when I dream all day Even when I dream all day
