

# No Ordinary (feat. Tommy Reilly)

## Alle Farben

You can run  
You can try and hide  
Locked away inside the fortress mine  
Safe up there, you can watch the world  
Passing by Feel the change  
Beating like a drum, p  
Stay forever young, you just begun  
Don't pretend that you own this life  
Passing by I think I'm ready  
I think I'm ready to show that I'm not ordinary  
I know I'm ready  
I know I'm ready to go... oh, oh  
I think I'm ready  
I think I'm ready to show that I'm not ordinary  
I know I'm ready  
I know I'm ready to go... oh, oh You can pray  
You can walk the line  
Even when you fall from time to time  
On your knees you can kiss the ground  
Because this sin is made from glass And I know that no one's perfect  
But everyone is worth it  
To find what makes them special  
Follow me, we can walk the road  
Paradise, I wanna scream I think I'm ready  
I think I'm ready to show that I'm not ordinary  
I know I'm ready  
I know I'm ready to go... oh, oh  
I think I'm ready  
I think I'm ready to show that I'm not ordinary  
I know I'm ready  
I know I'm ready to go... oh, oh I know I'm ready  
I know I'm ready to go... oh, oh I know I'm ready  
I know I'm ready to go... oh, oh
