

Every Piece of Me

Illenium & Echos

[Intro]

Whoa, oh, whoa, oh
Whoa, oh, whoa
Whoa, oh, whoa, oh
Whoa, oh, whoa

[Verse 1]

Your energy holds on to me
Still wrapped up in your strings
Those words you speak, they cut so deep
I still feel everything

[Pre-Chorus]

I am not your enemy
So why do we keep fighting?
I am not your enemy
So why are you still trying

[Chorus]

To take me down
When every piece of me is underground
To break me down
When every piece of me still needs you now

[Post-Chorus]

Whoa, oh, whoa, oh
Whoa, oh, whoa

[Verse 2]

I see your pain, it's on your face
You're talking through your teeth
Can't rearrange my will to stay
And you make it hurt the worst 'cause you know me

[Pre-Chorus]

I am not your enemy
So why do we keep fighting?
I am not your enemy
So why are you still trying

[Chorus]

To take me down
When every piece of me is underground
To break me down
When every piece of me still needs you now

[Post-Chorus]
Whoa, oh, whoa, oh
Whoa, oh, whoa
Whoa, oh, whoa, oh
Whoa, oh, whoa
