Used to Be

AJ Mitchell

I keep walking
I keep talking to every cute girl I see
I keep lookingI keep searching for the girl that you used to be
'Cause before all thisYou were lovin' me, hatin' me, tell me you're my baby
Calling me, telling me everything that you have just been through
And I'd say
Okay my baby, everything will be alright
I'll never let you out of my sight
'Cause I want to hold you in my arms
And I'll hold you so tight
Been searching for a girl like you
'Cause no girl's got me through the things
That you've got me through
We used to talk every day and night
But now when we're talking
It don't feel right
It don't feel rightYou were lovin' me, hatin' me, tell me you're my baby
Calling me, telling me everything that you have just been through
And I'd say
Okay my baby, everything will be alright
I'll never let you out of my sight
'Cause I want to hold you in my arms
And I'll hold you so tight
Be, oh oh oh oh
Be yeah, oh oh oh ohYou said that maybe we should hang out too
You said we'd
