

# Show Me the Way (Interlude)

Keith Sweat

Show me the way  
Show me, baby  
Show me the way  
Show me, girl  
Show me the way  
Show me, baby  
Show me the way

I know what you've been missing  
Tender love and kissing  
A love that treats you right your whole life long  
Now I am here to please  
Give you something that you need  
A love my girl that'll never do you wrong

Show me the way my baby  
Show me the way  
Show me the way to your heart  
Show me the way  
Show me you want me baby  
Show me the way  
Show me that you need my love  
Show me the way

I know that you've been hurt  
More times than a few  
Please my girl don't place that blame on me  
I know my love is real  
It's something you can feel  
I'm all the love my girl, you'll ever need

Show me the way my baby  
Show me the way  
Show me the way to your heart  
Show me the way  
Show me that you want me baby  
Show me the way  
Show me that you need my love  
Show me the way  
Show, show me, show me girl  
Show me the way
