

# My Shoes

Murphy Lee

Now look at me look at everybody else in the parking lot  
take a look at my shoes  
cause i do what i do everybody else talkin like  
take a look at my shoes  
and its amazin how real i am and how lame they are, take the shoes  
to my car

a look at my shoes. Hey rich boy here, just got my cutty back, throw some d's on that
