

# Gettin' Forgotten

Cole Swindell

[Verse 1]

The dam broke in her blue eyes  
When that goodbye  
Slipped off of my tongue  
I said, "Girl, you gonna be fine"  
"In no time, you'll be moving on"  
I didn't think it'd be this fast  
But looking through the plate glass  
Of this bar

[Chorus]

She's up on stage, singing with a frat band  
Shoes in her left, beer in her right hand  
Got me shakin' my head, good god man  
I must have been blind  
She got her friends and her free bird face on  
Boys buzzin, got 'em getting their chase on  
No signs of her putting them brakes on  
And no doubt in my mind  
That she's just getting rockin'  
And I'm gettin' forgotten tonight

[Verse 2]

Yeah, I was wanting these new wings  
So I could do things  
Anything that I want  
Thought I was gonna fly high  
Turns out I couldn't be more wrong  
I think I got a broken pair  
'Cause I should be up there where she is

[Chorus]

Yeah, way up on stage, singing with a frat band  
Shoes in her left, beer in her right hand  
Got me shakin' my head, good god man  
I must have been blind  
She got her friends and her free bird face on  
The boys buzzin, got 'em getting their chase on  
No signs of her putting them brakes on  
And no doubt in my mind  
That she's just getting rockin'  
And I'm gettin' forgotten tonight

[Bridge]

This ain't what I had in mind  
This heart full of regret  
Forever left behind  
With this picture in my head

[Chorus]

Of her up on stage, singing with a frat band  
Shoes in her left, beer in her right hand  
Got me wishing that I was that mic stand  
Man, I was so blind  
She got her friends and her free bird face on  
The boys buzzin, got 'em getting their chase on  
And no signs of her putting them brakes on  
And no doubt in my mind  
That she's just getting rockin'  
And I'm gettin' forgotten tonight

[Outro]

That's right  
And she's up there rocking  
And I'm getting forgotten tonight
