

# Stillborn

## Black Label Society

Blinded, erase what was  
Stillborn, I have become The feelings I once felt are now dead and gone  
I've waited here for you for so very long So empty, just a shell of a man  
Stillborn, this I understand The feelings I once felt are now dead and gone  
I've waited here for you for so very long Girl, I've waited here for you so long  
Girl, I've waited here for you, for you The feelings I once felt are now dead and gone  
I've waited here for you for so very long  
Girl, I've waited here for you so long  
Girl, I've waited here for you so long  
Girl, I've waited here for you so long  
I waited here for you, for you
