

Me About Me

RaeLynn

[Verse 1]

You're from a little town just outside of Dallas
Your brother and you don't see eye?to?eye
You love the?rain and classic country music
And you?need a buzz when you have to fly

Your first ride was a 1990 Wrangler
Your first kiss was a game of spin the bottle
When it comes to you I can answer any question
Yeah, that's what happens when you just sit back and listen

[Chorus]

But the reason why I love to spend my time in the Bible
Or the reason why I play guitar to help with my survival
Or why I start to cry when I watch my daddy leave
You would know, if you asked me about me
Me about me

[Verse 2]

Always waiting for a "Hey, babe how was your day?"
After you laid your day on to me
When I found out that's not gonna happen
That's when I knew we weren't meant to be

[Chorus]

But the reason why I love to spend my time in the Bible
Or the reason why I play guitar to help with my survival
Or why I start to cry when I watch my daddy leave
You would know, if you asked me about me
Me about me
Me about me

[Outro]

And babe if you don't know why I'm packed up about to leave
You would know, if you asked me about me
Me about me
