

# Forget

## Marina and The Diamonds

Sometimes I think I'm not as strong  
But there's a force that carries me on  
Sick of my small heart, made of steel  
Sick of the wounds that never heal (never heal) Cause I have lived my life in debt  
I've spent my days in deep regret  
Yeah, I been living in the red  
Oh, cause I can't forgive and I can't forget  
Forget Forget, forget  
Forget, forget  
Ain't no time for regret  
Yeah, it's time to forget  
Ever since I can remember  
Life was like a tipping scale  
Like an abacus I played with  
Counting every win and fail (win and fail) Cause I have lived my life in debt  
I've spent my days in deep regret  
Yeah, I've been living in the red  
But I wanna forgive and forget Forget, forget  
Forget, forget  
Ain't no time for regret  
Yeah, it's time to be letting go  
Oh, baby you know  
What I'm talking about  
Got nothing to lose and nothing to prove  
Oh, baby, I'm bowing out  
Out, I'm bowing out  
Yeah, I've been dancing with the devil  
I love that he pretends to care  
If I'll ever get to heaven  
When a million dollars gets you there  
Oh, all the time that I have wasted  
Chasing rabbits down a hole  
When I was born to be the tortoise  
I was born to walk alone  
Forget about it  
Forget about it  
Forget about it Forget, forget  
Forget, forget  
Ain't no time for regret I'm gonna leave the past behind  
I've had enough, I'm breaking free  
No pressing stop, erase, rewind  
That chain of thought that followed me

I've put my money where my mouth is  
For the first time in my life  
I've made mistakes but I believe that  
Everything was worth the fight  
Cause in the end, the road is long  
But only cause it makes you strong  
It's filled with peaks and twists and turns  
Sometimes you have to learn to forget about it
