

Get You (feat. Kali Uchis)

Daniel Caesar

Through drought and famine, natural disasters
My baby has been around for me
Kingdoms have fallen, angels be calling
None of that could ever make me leave
Every time I look into your eyes I see it
You're all I need
Every time I get a bit inside I feel it Oooooooh, who would've thought I'd get you
Oooooooh, who would've thought I'd get you And when we're making love
Your cries they can be heard from far and wide
It's only the two of us
Everything I need's between those thighs
Every time I look into your eyes I see it
You're all I need
Every time I get a bit inside I feel it
Oooooooh, who would've thought I'd get you
Oooooooh, who would've thought I'd get you And I'll take some time
Just to be thankful
That I had days full of you, you
Before it winds down into
The memories, It's all just memories (If you've got someone you like...)
Don't you love when I come around
(...feel something that's right somebody just tell somebody)
Build you up then I take you down
(If you've got someone you like...)
Don't you love when I come around
(...feel something that's right somebody just tell somebody)
Build you up then I take... Oooooooh, who would've thought I'd get you
Oooooooh, who would've thought I'd get you
This feels like summer
Boy you make me feel so alive
Just be my lover
Boy you'll lead me to paradise
