

# Holding You Down (Goin' In Circles)

Jazmine Sullivan

Why can't I find somebody else  
When I know, know that you're doing wrong  
It's so hard, hard to let go I done went through just about two bags of tissues baby  
And you're looking at me like you ain't the issue baby  
And though I tried to leave, I can't stop missing you baby  
And I keep coming, I keep coming back Keep going in circles, circles  
    'Round and 'round  
And while you're doing me so wrong  
    I just keep holding you down  
        I feel so stupid, foolish  
        Loving you all this way  
        But what I can I say  
        But I wanna go  
    I wanna go but I keep coming back  
Why I'm so confused for you, I have no answer boy (one time!)  
    When I feel so used by you just like a toy (two times!)  
It's a shame that you don't care enough to even give me half the love I give to you  
    I live for you baby  
    I'm ashamed to say that I'm to blame for how you act  
Cause I keep coming, I keep coming back Keep going in circles, circles  
    'Round and 'round  
And while you're doing me so wrong  
    I just keep holding you down  
        I feel so stupid, foolish  
        Loving you all this way  
        But what I can I say  
        But I wanna go  
    I wanna go but I keep coming back  
        I can't stop  
        I can't stop  
        I can't stop missing you baby  
    I can't stop I stay cause I love you but I hate that I stay  
    You know I won't go that's why you treat me this way  
    I want to be happy though it hurts me so bad  
Don't know what it is that keeps me coming back Hol' up (wait a minute)  
    I said hol' up (wait a minute)  
    I said hol' up (wait a minute)  
    I said freeze! Keep going in circles, circles  
        'Round and 'round  
And while you're doing me so wrong  
    I just keep holding you down  
        I feel so stupid, foolish

Loving you all this way  
But what I can I say  
But I wanna go  
I wanna go but I keep coming back  
Going in circles, circles  
'Round and 'round  
And while you're doing me so wrong  
I just keep holding you down  
I feel so stupid, so foolish  
Loving you all this way  
But what I can I say  
But I wanna go  
I wanna go but I keep coming back
