

# People Like Us

Kelly Clarkson

We come into this world unknown  
But know that we are not alone  
They try and knock us down  
But change is coming, it's our time now Hey... everybody loses it  
Everybody wants to throw it all away sometimes  
And hey... yeah I know what you're going through Don't let it get the best of you, you'll make it  
out alive  
Ohh

People like us we've gotta stick together  
Keep your head up, nothing lasts forever  
Here's to the damned, to the lost and forgotten  
It's hard to get high when you're living on the bottom  
Oh woah oh oh woah oh

We are all misfits living in a world on fire  
Oh woah oh oh woah oh

Sing it for the people like us, the people like us  
Hey, this is not a funeral  
It's a revolution, after all your tears have turned to rage  
Just wait, everything will be okay Even when you're feeling like it's going down in flames Ohh

People like us we've gotta stick together  
Keep your head up nothing lasts forever  
Here's to the damned, to the lost and forgotten  
It's hard to get high when you're living on the bottom  
Oh woah oh oh woah oh

We are all misfits living in a world on fire  
Oh woah oh oh woah oh

Sing it for the people like us, the people like us  
Oh woah oh oh woah oh You've just gotta turn it up loud when the flames get higher  
Oh woah oh oh woah oh

Sing it for the people like us, the people like us They can't do nothing to you, they can't do  
nothing to me  
This is the life that we choose, this is the life that we bleed So throw your fists in the air, come  
out, come out if you dare  
Tonight we're gonna change forever  
Everybody loses it, everybody wants to throw it all away sometimes  
Ohh

People like us we've gotta stick together  
Keep your head up nothing lasts forever  
Here's to the damned, to the lost and forgotten  
It's hard to get high when you're living on the bottom  
Oh woah oh oh woah oh

We are all misfits living in a world on fire

Oh woah oh oh woah oh  
Sing it for the people like us, the people like us  
Oh woah oh oh woah oh  
You've just got to turn it up loud when the flames get higher Oh woah oh oh woah oh  
Sing it for the people like us, the people like us  
Oh woah oh oh woah oh  
We're all misfits living in a world on fire  
Oh woah oh oh woah oh  
Sing it for the people like us, the people like us  
Oh woah oh oh woah oh  
You've just got to turn it up loud when the flames get higher  
Oh woah oh oh woah oh  
Sing it for the people like us, the people like us
