

Could I Have This Dance

Anne Murray

I'll always remember, the song they were playing
The first time we danced, and I knew
As we swayed to the music, and held to each other
I fell in love with you Could I have this dance, for the rest of my life
Could you be my partner, every night
When we're together, it feels so right
Could I have this dance for the rest of my life I'll always remember, that magic moment
When I held you close, to me
As we moved together, I knew forever
You're all I'll ever need Could I have this dance, for the rest of my life
Could you be my partner, every night
When we're together, it feels so right
Could I have this dance, for the rest of my life
Could I have this dance, for the rest of my life
Could you be my partner, every night
When we're together, it feels so right
Could I have this dance, for the rest of my life
