

I Look So Good (Without You)

Jessie James

Hey boy, I would have thought that
When you left me I'd be broken
With my confidence gone, so goneHey boy, I would have thought that
When you said that you don't want me
I'd feel ugly and sense something was wrongStanding in front of the mirror
My skins never been clearer
My smiles never been whiterI look so good without you
Got me a new hairdo
Looking fresh and brand new
Since you said that we we're through
Done with your lies
Baby, now my tears dry
You can see my brown eyes
Ever since you said goodbyeI look so good
I look so good without you
I look so good
I look so good without youHey, I never would have thought that
When you left me I'd feel sexy
And so good in my skin againAnd I never would have known that
I'd be dreaming so much better
Without you in my headStanding in front of the mirror
My clothes never fit better
My laugh never been louder
I look so good without you
Got me a new hairdo
Looking fresh and brand new
Since you said that we we're throughDone with your lies
Baby, now my tears dry
You can see my brown eyes
Ever since you said goodbyeI look so good
I look so good without you
I look so good
I look so good without youNow baby, my body's looking better than before
Ain't biting my nails since you walked out of the door
I realize now I deserve so much more than what you give
Than what you giveI look so good without you
Got me a new hairdo
Looking fresh and brand new
Since you said that we're throughI look so good without you
Got me a new hairdo
Looking fresh and brand new
Since you said that we we're throughDone with your lies

Baby, now my tears dry
You can see my brown eyes
Ever since you said goodbye
Without you
Got me a new hairdo
Looking fresh and brand new
Since you said that we're through
Done with your lies
Baby, now my tears dry
You can see my brown eyes
Ever since you said goodbye
I look so good
I look so good without you
I look so good
I look so good without you
