

Alley Oop (feat. Lil Baby)

Yung Gravy

[Yung Gravy]
Ay, drunk in Atlanta
I'm at your crib with the pack like I'm Santa
With a bitch from Havana
Fuck with the crew, you get peeled like banana (Baby)
I pull out, you panic
Ice on my wrist, it took down the Titanic (Woo)
I'm at Giuseppe
I'm in the back of the store gettin' Becky (Woo)
Bitch[Lil Baby]
Baby
This type of shit that's gon' make them go crazy (Like woo)
I just pulled up in a brand new Mercedes (Woo)
She said she pregnant that can't be my baby (Woo, yeah)
I was just stuck in the trap and they saved me
[Yung Gravy]
(Like woo) Bitch, hop out the coupe
Dunk on your bitch and I hang from the hoop
(Like woo) Bitch, Givenchy my suit
Me and Lil Baby pull up alley oop
(Woo, yeah) Think I'm no-winsky
I'm at your crib with your mom sippin' whiskey (Woo)
Gravy got love for the south
I fuck your bitch at the Waffle House (Baby)
Think I'm Larry Bird, bitch
Dunk on your bitch cervix
Talkin' 'bout you heard shit
What you heard? Bitch
Ready my hip, pardon my drip
Reach in my pocket, I pull out your bitch
Bentley my whip, came with the grip
Found out my bitch couldn't fit
She fuckin' thick, bitch
