

We Might As Well Be Strangers

Keane

I don't know your face, no more
Or feel the touch that I adore
I don't know your face, no more
It's just a place I'm looking for We might as well be strangers in another town
We might as well be living in a different world
We might as well
We might as well
We might as well I don't know your thoughts these days
We're strangers in an empty space
I don't understand your heart
It's easier to be apart
We might as well be strangers in another town
We might as well be living in another time
We might as well
We might as well
We might as well
Be strangers
Be strangers
For all I know of you now
For all I know of you now
For all I know of you now
For all I know
