

Adorn

Miguel

These lips
Can't wait to taste your skin
Baby, no, no
And these eyes, yeah
Can't wait to see your grin
ooh ooh baby
Just let my love
Just let my love adorn you
Please baby, yeah You gotta know
You gotta know You know that I adore you
Yeah baby
Baby these fists, uh
Will always protect ya, lady
And this mind
Oh, will never neglect you
Yeah, baby
Oh, oh, baby
And they stay trying to break us down
But don't let that affect us
No, baby
You just gotta let my love
Let my love Let my love adorn you
Ah, le-le-le-let it just adorn you You got to know
You gotta know
Know that I adore you
Just that babe
Oh oh oh
Let my love adorn you baby
Don't you ever
Don't you let nobody tell you different baby I'll always adore you
You gotta know now
You got to know know know
Now Sippin' red wine, I roll another one up
But then it's bed time.
Take one look at my watch, yeah, that's real time
Got a lot on my plate, I'm down to share mine.
Keep it real with you,
Be honest, I'm tryna feel with you
A little life, you play your cards right
Then I can deal with you.
Say you don't like all this money
You peel soon as you see the sh*t you got me doin',

And you know that it's real
You've got your boy frontin' the bill, opening doors
Buying the chef, closing the store
You don't even got a question
You know what it's for
I can say I'll give you the world
But you know that it's yours, uhOoh yeah
The same way that the stars adorn the skies, yeah
Oh, and look up suga'
Now, hey, hey, hey
The same way that my whole world's in your, eyes
Ooh, and this time now
Just let
Let my love
Adorn you baby, hey
Le-le-le-let it dress you down
You gotta know baby
Oh, you gotta know
Know that I adorn you
Oh, love ain't never looked so good on ya
Ooh, put it on baby
Let my love
Adorn, you
