

# Getaway

## Earth, Wind & Fire

So you say you tried  
But you just can't find the pleasure  
People around you givin' you pressure  
Try to resist all the hurt that's all  
Around you  
If you taste it, it will haunt you

So come, take me by the hand  
We'll leave this troubled land  
I know we can, I know we can, I know we can, I know we can  
Getaway

Watch for the signs  
That lead in the right direction  
Not to heed them is a bad reflection  
They'll show you the way  
Into what you have been seeking  
To ignore them you're only cheating

So come, take me by the hand  
We'll leave this troubled land  
I know we can getaway  
Getaway

Lay awake every night  
Till the sun comes up in the morning  
Nothing exciting, it all seems boring  
Make up your mind which way to go about it  
To your road, you just don't doubt it

So come, take me by the hand  
We'll leave this troubled land  
I know we can, I know we can, I know we can, I know we can  
Getaway
