

Echoes of Silence

The Weeknd

[Verse]

Talk to me baby
Tell me what you're feeling
You say you don't need to go
Don't you pretend you didn't know
How all of this would end up
Girl I saw it in your eyes
And baby I can read your mind
And expectations were not in sight

You knew that talking dirty to me on the phone would get me here
Cause we both wanted to do this but I could tell that you were scared
Cause you thought there was more to us but you knew how this would end
It's gonna end how you expected girl you're such a masochist and I ask why

And you reply...

I like the thrill

Nothing's gonna make me feel this real

So baby don't go home

I don't wanna spend tonight alone

Baby please

Would you end your night with me

Don't you leave me all behind

Don't you leave my little life

Don't you leave my little lie

[Outro]

No no no no no
