# If It's Over

## Mariah Carey

Won't you talk to me?
This is so out of hand
Out of hand
Something's gone wrong
With the life that we plannedWon't you look at me?
You're avoiding my gaze
Yes, you are
And it seems like you've changed
In so many waysIt isn't fair, it isn't right
If it's really gone then tell me tonight
If it's over
(Over)
If it's over
Let me go
(Just let me go)
Won't you speak to me?
I'm just here holding on
Holding on
'Cause, baby, I really don't need to wait around, oh no
If the feeling is goneIt isn't fair, it isn't right
If it's really gone then tell me tonight
Baby, yeah
If it's over
(Over)
If it's over
Let me go
(Just let me go)Don't you know
I don't need no apologies, no
I'm not looking for no sympathy
All I'm asking for is your honesty
Won't you give it to me
Give it to me now?
It isn't fair, it just isn't right
'Cause if it's really gone
You've got to say the words tonight, oh yeah
If it's over
(Over)
If it's over
(Just let me know)
Won't you let me know?
Baby, if it's over
(Over)

If it's over
Let me go
(Just let me go)
