## No Doubt

"Put your hands up you're surrounded"  
They're circling me  
'Cause I'm a hustler baby  
Come on, I bring it on, can't turn it off  
Another day I'm gone again without you  
Gotta get it while it's good  
I know I'm robbin' the hood  
Come on, baby come on  
Gonna put it over there  
White flag in the air  
Gonna get my way when I cease the fire  
I wanna be with you  
I'm droppin' everything  
I'm gonna take it easy  
No not gonna do a thing  
Gonna take it easy  
I'm gonna take it easy  
No not gonna do a thing  
'Cause I know you miss me  
Gonna do it, got to get it perfect  
And I'm running out of time  
Baby please cut in line  
Come on, come get me baby, take me home  
So tell me, what's so great about perfect?  
I'm perfectly wound  
I'm gonna throw in the towel  
Come on  
I'm gonna take it easy  
No not gonna do a thing  
Gonna take it easy (with you)  
I'm gonna take it easy  
No not gonna do a thing  
'Cause I know you miss me (I miss you)  
Got to get a change of scenery  
Got to get a taste of greenery  
I'm gonna hit and run  
A yummy yum yum  
Going underground, I'm gonna hide out with out law  
Watch out, you might get what you're after  
The less I say about it the better  
Got to take it easy  
I'm gonna take it easy  
No not gonna do a thing  
Gonna take it easy (with you)  
I'm gonna take it easy  
No not gonna do a thing  
'Cause I know you miss me (I miss you)  
Gonna put it over there  
White flag in the air

Gonna get my way when I cease the fire  
I wanna be with you  
I'm droppin' everything I wanna be there  
I wanna be there  
I wanna be there  
I wanna be there
