Video Games

Lana Del Rey

Swinging in the backyard
Pull up in your fast car
Whistling my nameOpen up a beer
And you say, get over here
And play a video gameI'm in his favorite sun dress
Watching me get undressed
Take that body downtownI say you the bestest
Lean in for a big kiss
Put his favorite perfume onGo play your video game
It's you, it's you, it's all for you
Everything I do
I tell you all the time
Heaven is a place on earth with you
Tell me all the things you want to do
I heard that you like the bad girls
Honey, is that true?
It's better than I ever even knew
They say that the world was built for two
Only worth living if somebody is loving youBaby, now you doSinging in the old barsSwinging with the old stars
Living for the fame
Kissing in the blue darkPlaying pool and wild darts
Video games
He holds me in his big arms
Drunk, and I am seeing stars
This is all I think of
Watching all our friends fall
In and out of Old Paul'sThis is my idea of fun
Playing video gamesIt's you, it's you, it's all for you
Everything I do
I tell you all the time
Heaven is a place on earth with you
Tell me all the things you want to do
I heard that you like the bad girls
Honey, is that true?
It's better than I ever even knewThey say that the world was built for two
Only worth living if somebody is loving you
Baby, now you doIt's you, it's you, it's all for you
Everything I do
I tell you all the time
Heaven is a place on earth with you
Tell me all the things you want to do

I heard that you like the bad girls
Honey, is that true?
It's better than I ever even knew
They say that the world was built for two
Only worth living if somebody is loving you
Baby, now you doNow you do
