

If It's Magic

Stevie Wonder

[Intro]

If it's magic
Then why can't it be everlasting
Like the sun that always shines
Like the poet's endless rhyme
Like the galaxies in time

[Verse 1]

If it's pleasing
Then why can't it be never leaving
Like the day that never fails
Like on seashores there are shells
Like the time that always tells

[Chorus]

It holds the key to every heart
Throughout the universe
It fills you up without a bite
And quenches every thirst

[Verse 2]

So
If it's special
Then with it why aren't we as careful
As making sure we dress in style
Posing pictures with a smile
Keeping danger from a child

[Chorus]

It holds the key to every heart
Throughout the universe
It fills you up without a bite
And quenches every thirst

[Outro]

So
If it's magic
Why can't we make it everlasting
Like the lifetime of the sun
It will leave no heart undone

For there's enough for everyone
