

Against the Time (feat. Vince Staples)

Wynter Gordon

Against the time I'm always
Running at 100, goin' out of my mind
And I have visions, I see rivers flowin'
Up in the sky, oh I know people keep on
Coming, come into the light And I keep on moing along
Cos' I know, I know where I'm going
Oh, I know, I know what I want
I been holding on for so long
I said no, don't leave me, don't go
Oh, I know, I know where I'm going
Oh, I keep on keep it on my love
We are, we are, we are all fighting for the flames
The fire lights the black night like candles in the rain Keep my head, keep my head on tight
Keep my hand on my money, right
I believe, you know I do
Oh, I know, I know, I know it's true And I keep on moing along
Cos' I know, I know where I'm going
Oh, I know, I know what I want
I been holding on for so long
I said no, don't leave me, don't go
Oh, I know, I know where I'm going
Oh, I keep on keep it on my love We are, we are we are all fire for the flames
The fire lights the black night like candles in the rain
Screamin' fuck the world, got a baby mama now
It's drama every time you turn, turnin' up the vibe
Trynna drown the sound of mother nature drowning in the vine
I put you on a level where you had to heard it from a partner
Was a wise man, told me have your heart and never let me hurt you
Mind playin', learn to mind your business
I just met a holy guy here walkin' through the blizzard
Till the sun comes shining peeking through the blinds
So we snap too blinding, living in the light
Living in the sky, that's the bed you provided
Know they had a lot, they ain't picking up the proud
Whatchya puttin' on the line? Whatchya doin' till you die? And I keep on moing along
Cos' I know, I know where I'm going
Oh, I know, I know what I want
I been holding on for so long
I said no, don't leave me, don't go
Oh, I know, I know where I'm going
Oh, I keep on keep it on my love We are, we are we are all fire for the flames

The fire lights the black night like candles in the rain
