

Time Is Love

Josh Turner

I know I gotta put in the hours
Make the money while the sunlight shines
But anything I gotta get done
It can get done some other time
Time is love
Gotta run Love to hang out longer but I got someone
Who waits
Waits for me and right now she's where I need to be
Time is love
Gotta run I only get so many minutes
Don't wanna spend 'em all on the clock
In the time that we've spent talkin'
How many kisses have I lost
Time is Love
Gotta run
Love to hang out longer but I got someone
Who waits
Waits for me and right now she's where I need to be
Time is love
Gotta run
Gotta Fly, fly
Before one more moment gets by Time is love
Gotta Run
Love to hang out longer but I got someone
Who waits
Waits for me and right now she's where I need to be Time is love
Gotta run
Love to hang out longer but I got someone
Who waits
Waits for me and right now she's where I need to be
Time is love
Gotta run
Time is love
Gotta run
