

Subliminal

Suicidal Tendencies

[Verse 1]

Flashing pictures, on my screen
Shown too quickly, to be seen
Does not register, in my conscious mind
Propaganda of another kind

[Refrain]

They're fucking with me subliminally
They're fucking with me subliminal-ly

[Chorus]

Flashing pictures on my screen
Shown too quickly to be seen
Does not register in my conscious mind
Propaganda of another kind
Danger (Nightmare)
Doomsday (Nightmare)
Murder (Nightmare)
Nightmare, nightmare
Danger (Nightmare)
Doomsday (Nightmare)
Murder (Nightmare)
Nightmare, nightmare
They'll fuck with me subliminally
They'll fuck with me subliminally
They'll fuck with me subliminally
They'll fuck with me subliminal-ly

[Verse 2]

Watching T.V., I start to cry
For no reason, I don't know why
Could it be from messages on my TV
Which I'm getting subliminally?

[Refrain]

They're fucking with me subliminally
They're fucking with me subliminal-ly

[Chorus]

Flashing pictures on my screen

Shown too quickly to be seen
Does not register in my conscious mind
Propaganda of another kind
Danger (Nightmare)
Doomsday (Nightmare)
Murder (Nightmare)
Nightmare, nightmare
Danger (Nightmare)
Doomsday (Nightmare)
Murder (Nightmare)
Nightmare, nightmare
They'll fuck with me subliminally
They'll fuck with me subliminally
They'll fuck with me subliminally
They'll fuck with me subliminal-ly

[Verse 3]

Mind control the easiest way
Sponsored by the C.I.A
It's a weapon you cannot see
It's propaganda subliminally

[Refrain]

They're fucking with me subliminally
They're fucking with me subliminal-ly
